

HELP WITH TENSIONS AT HOME

28.04.2020

EVEN DURING CORONA

Tensions at home can quickly lead to aggression and violence. Get help – we can advise, guide, financially support, intervene, and also provide accommodation. Together we will find the right solution.

Have you experienced aggression?

www.opferhilfe-schweiz.ch

Specialists are available to advise you in confidence, anonymously and free of charge all over Switzerland.

Have you been threatened or experienced violence?

Call the police! Tel. 117

You have several ways to stop violence and reach safety.

Also take action if you know people affected by violence.
